Hathkhowa Para, Azara, Guwahati-17.

DEPARTMENT OF CIVIL ENGINEERING

Question Paper for Laboratory Assessment

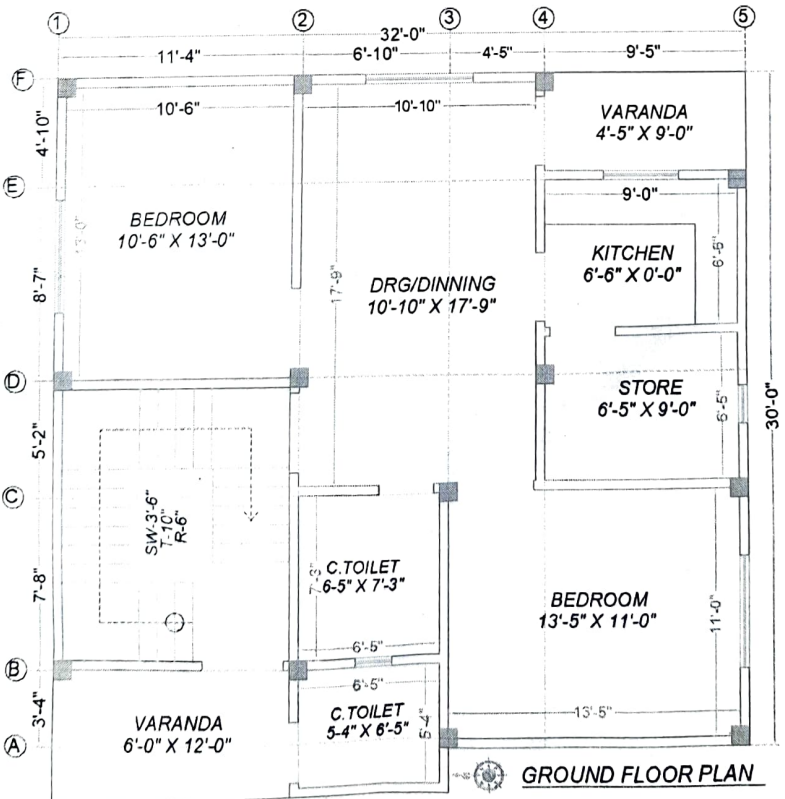

Test-3/Sec A/ Gr.1

Time: 01 hr.

Total Marks-10

Q. 1. Draw a residential ground floor plan according to the description as given:

This AutoCAD DWG ground floor house plan includes a Drawing/Dining area (10'-10" x 17'-9"), Kitchen (6'-6" width), and two Bedrooms sized 10'-6" x 13'-0" and 13'-5" x 11'-0" for comfortable living space planning. The layout provides a Store Room (6'-5" x 9'-0"), a Common Toilet (6'-5" x 7'-3"), and an additional Toilet (5'-4" x 6'-5") for daily use. The entrance features a Verandah (6'-0" x 12'-0") and a Rear Verandah (4'-5" x 9'-0"), improving ventilation and movement around the house. Clear wall dimensions and circulation paths help ensure accurate construction reference for residential development.
